“ Patti was a beautiful lady we should all try to emulate. God sent this Angel to us when we were fractured as a family. She guided us through our emotional conflicts using her experiences, her kindness, her belief and her faith in God. We are proud she allowed us to consider her as a close friend to our entire family We all loved her. Especially David and Doris, and my brother James, who adored her. Rickey allowed her to tell him how to drive without commenting. Our hearts are broken. Our love goes out to her beautiful family. We are blessed to have been on this earth with her. Patti, will miss you always, The Henry Family
