“ Patrick, Patrick, Patrick.....loosing you has left such sadness and emptiness in my heart that I cannot explain. The only thing that eases my pain is knowing that God has taken you to a better place. He heard your cries and took you out of your misery. You were in so much pain and I never knew I was speaking to you for the last time. But so long my dearest brother, rest on rest on. Until we meet again.

“It's been a long day, without you my friend, and I'll tell you about it when I see you again!

We've come a long way from where we began.

Why'd you have to leave so soon, why'd you have to go

I know you're in a better place, but it's always gonna hurt

So let the light guide your way, hold every memory as you go

And every road you take will always lead you home!"

Peaceful rest my friend!
