Ms. Pat was such an amazing person and friend. From the time we moved in the neighborhood, she has always been there. She became part of our family always asking about the girls and how they were doing in school. When I needed a shoulder or just someone to listen she was always there. She will be missed, but I know she has her friend to welcome her. Her smile and kind spirit will forever be missed. Love you Ms. Pat - Jackie Greenaway

“ I met Patrick in 1989 at a gathering at my best friend Inez Tann’s house. Patrick and I ended up in the kitchen doing the after event dishes and I must say that I’ve never had such fun “busting suds”! Patrick was witty and never missed a beat! I can just see her holding court with the angels! Rest well my Louisiana queen!
