“ *When I was told of Pattie's passing I was completely knocked off my feet. We had a special friendship made for the two of us. We would argue or disagree one minute and then make up the next minute. I can imagine her saying to me "girl get up from that floor, you know I had to go home". I called her "Cakes or Pattie Cakes" especially when I wanted to bug her and she would always say "girl what do you want!" or she would say "I'm busy, I don't have time to mess with you". I will truly miss her. But I know God had a better task for her to do in his Kingdom. So rest on my friend. Whenever I text her I would always end by saying "smooches". So It's only fitting that I say it one last time until we meet again*

*Smooches.*

“ To the Family of my Dear Friend, Pattie I extend to you my heartfelt Sympathy.

*Pattie was a caring and helpful person, with a wealth of knowledge. I worked with her for over 30ty years, we were co-workers and became very good friends, the friend that is like family. I will miss her as I know you all will too. Though she is absent in the flesh, she is with us in Sprit, and we will see her again. So family take comfort that she is no longer sick, no medicine to take, and no wheelchair to maneuver. She is resting comfortably in God's Grace.*

*Praying for you,

“ Just wanted to say your mother/my friend crossed my mind just last week. Although, we were miles apart she still remained in my heart and on my mind. In mid-day, a vision of reflection dawned on me perhaps it was her saying, "I will see you soon my friend". I will also remember the many life lessons she shared with me. She is resting with our Heavenly Father and has been reunited with her loved ones. Until we meet again Momma Pattie, rest well.....rest well. I love you!!!!!!

“ Michael and family, I was saddened to hear of our Lord and Savior sending an angel to escort to her Pattie to her eternal home. We worked together, our birthday was June 14TH and we each had one son who we loved dearly. We had many years of friendship even after she moved to Georgia. Thank God for her visits. May God sustain you now and always.

Prayerfully,  
Augustine Selden

“ Sending my deepest condolences to the family. Ms. Pattie always treated me like family from the moment we began working together. She opened her door for myself and my children when we were in dire straits. May it be comforting to the family to know that Pattie will truly be missed...Now Ms. Louise and Ms. Mary can reunite with her...
