“ My sincere condolences to Paul’s family. Paul was a very dear friend and was like a big brother to me when I worked at the airport some years ago. We lost touch over the years and to just hear the news, it really saddens me and especially knowing I was not there to pay my final respects to a great man. We had some great times together going to various concerts, hanging out, laughing, and talking. Paul was very generous, intellectual, kind, full of joy, and had a big sense of humor, and most of all he had a big heart. He will be truly missed!

“ It is with heartfelt grief that we express our deepest sympathy to the entire Cox Family. Paul was a wonderful person who expressed TRUE love and kindness to all! He was special to our family and we are going to truly miss him. He was filled with laughter and humility. He had the biggest heart and was a true man of God. Not only did he express love to his immediate nephews, he express love to our children and grandchildren. His love was contagious; we always felt good being around him. To the family, please continue to bond together as we know Paul would not have it any other way. With love always,

“ *Sending love and condolences to the entire Cox family. We were next door neighbors when Paul and the other children were growing up. I remember so many times of laughter and happiness. The photo of Paul's smile shows his sense of humor and kindness. May God bless you and bring you comfort in the days ahead. With sincere love from the Haynes family in Buffalo, NY <3*
