“ *To the Pollard family,
My sincere condolences and prayers are with you during this time of grief. I will always remember Paul & the times we shared together - holidays, vacations, & “just because we need to get together” times. He was always positive, sharing words of wisdom & encouragement. May his soul rest in heavenly peace.*

“ *I will always cherish the times when Josh stayed at your home while I worked and our subsequent visits when Uncle Paul would always have a word of wisdom and jokes to tell. I remember when Uncle Paul and I took on the Saturday project to refinish the front door, how we laughed from start to finish, as he made it fun. May he rest in sweet peace.*
God Bless

“ Dear Pollard Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous.” May you have peace as you think about this beautiful hope for the future.
