*"Those we love don't go away,
they walk beside us every day.
Unseen, unheard,
but always near,
so loved, so missed,
so very dear."*

“ *I cannot believe my Sassy little jazzy sista/friend has entered into eternal rest. We shared some wonderful laughs and conversations. We cried, talked about our treatments, hair loss, and how the strongest women come in small packages. I will miss you dearly. The laugh, straight talking, cut to the chase- no nonsense kinda- person, we were destined to be sista/friends because of our similar personalities and appreciation for our differences. Rest on my friend. I will forever hold dear my memories of you. Family please accept my condolences and may you find comfort in your memories. Paula was more than just another coworker but a cherished sista/friend/loved one.*

“ It is with deepest sympathy that I acknowledge the passing of a beautiful flower, Paula. I recall when I first met her in Florida at my home. She and my daughter, Shaunda, were the same age and bonded immediately. We must remember that God has now added a special rose to His garden. RIP, Paula, and Pat and family, know that she’s safe in His care.
