“ Anastashia and Peteria, your Mother's influence and beliefs shows in both of you. You two are an extension and a testament of the life she lived and from what I know of you, it had to have been a Godly life well lived. My heartfelt condolences to you and your entire family. You all have gained an angel.

“ While I never had the pleasure of meeting Paulette in person, I've had the great pleasure of knowing her daughter, Peteria. If her daughter is any indication of what an amazing person Paulette was, then I know how special she was! Rest in peace and may God bless your soul.
