“ Mrs. Adams was a gift from God to the many lives she has transformed including me. She was a guiding light for me when I started BCC in 1995. She was always looking out for every students regardless of their race or nationally. I was truly blessed knowing her as a mentor and then found out she is also family. We shared many memorable moments that will always remain in my heart. Rest In Peace.

“ My memories are more than memories. She gave me life lessons. This is so hard for me. When I came into her life we were like a tag team taking care of her sister Miss Olive during her time with us. With the two of them together, there was never a dull moment. I laughed uncontrollably on some of the things that they said because if you didn't catch it in the beginning, they would just look at you until you did. I help to take care of them when I lived in Georgia and I am so honored to have done so, my family and I are so grateful to have been accepted until their family and them into ours. We all love you. We will miss you. Now go on to be with your family in heaven you will never be forgotten here. I will always remember your smile and what you've taught me. There is so much more to say and not enough room on this post to say it.. you never retired but now you can rest my Birthday twin. I LOVE YOU!!! You looked out for me and mine Thank you. “ *Ms. Pearl,
Was the epitome of a strong black woman. She did not take nonsense. She did not take mess. She wanted things done right and right when she wanted them done. Her strong presence will be missed. It was my pleasure caring for her for these many many years. Condolences to the family. We are praying for you, JJanice.

“ Ms. Pearl, is the mother of Janice McPherson, Jan is a member of our Victory Small Group Family. PTL! Ms Pearl was a believer in Jesus Christ our Lord and Savior. I know she at peace with Him.

*If you're reading this and don't yet have a personal relationship with Jesus Christ, I lovingly encourage you to take a moment to open your heart to Him. Ask the Lord Jesus to come into your life—He is always ready to receive you with grace, mercy, and love. With Love,
Glenda*

“ I never had the pleasure of meeting Janice's mother but I have know Janice since our younger days at St Mary's Anglican Church where we fellowshipped in Kingston, Jamaica.

Janice, I am deeply saddened for your loss, I too recently lost my mother but holding on to those precious memories of our time together contnues to provide strength and moments of happiness.

From my family to yours and to other friends of yours, we wish you continued blessings as you trod along this path and may your mother's soul rest in eternal and beautiful peace.
