“ Dear Boreland Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection.” There will be a resurrection of the righteous and the unrighteous “ May you have peace as you think about this beautiful hope for the future.

“ *Condolences to the family and friends of Pearl. The most comforting words I can share are those found in the Bible, which is filled with promises of a new world free of sin and death. Jesus gave us a glimpse of his power and his yearning to do so when he raised Lazarus from the dead. This and other miracles are just a foregleam of what he and his father would do for mankind in the near future. Let's all look forward to that!*
