“ WOW! What can I say... Ma Pearl (as I always call you).I am going to miss you Lord knows I am. When I first move to Atlanta about 17 years ago as neighbor and every since then we have always been close. You have always been a loving and caring person. When I came by to see on 4/21 I could see then that you were getting tired. Now you are "RESTING AND SAFE IN THE ARMS OF JESUS". Jayla, Joy and I will miss you Ma Pearl always remember we LOVE you.

“ Our friendship with Pearlie Mae has lasted over 50 years. We have worked together, laughed together and cried together. She helped us raise our children and did a good job of that. She listened to our problems and was always compassionate. Even though she has had a lot of health issues, she never complained. She had a happy positive attitude about life. We will all miss her. The Parker Family

“ You came into my life when I was just born, we were born on the same day, and though we aged many years you always stayed connected to me. Pearlie your laughter and joy is a loss to what is good on this earth and in life. May you rest in a heavenly place.
