You will be sorely missed.
I also remember your funny, upbeat and warm spirit.
I first met you back in the 80's when you visited my dad and us in California.
Until we meet again.

“ Always Loved, Never Forgotten

Dearest Pat, you will always be in my heart because in there you're still alive. I have so many fond memories of you. The many times we shared a special meal, laughed together, and just enjoyed the sweet sounds of jazz and gospel music. We shared so many times of good and bad, but always knowing and appreciating the value of Family.

Remembering you is easy - as I do it everyday, but missing you is heartache that never goes away. Our lives may go on without you, but nothing is the same. We have to hide our heartache when someone speaks your name. - "Pearlie", "Pat".

Sad are the hearts that love you. Silent are the tears that fall. Living here without you is the hardest part of all. You did so many things for us. Your heart was kind and true, and when we needed someone we could count on you.

Your love for Family, Friends, and little ones was unwavering - this will always be remembered. The times you cooked for usand there were many - we all relished the delights of your splendid cuisine. The planned and unplanned events were awesome and you embellished us with your love. All this show of love for Family will forever be cherished.

The special years will not return when we are all together, but the love in our hearts is etched forever. We know the Spirit and Love of our Dear Pearlie will walk with us forever.

Always Loved, Never Forgotten.....

*Rest in Heavenly Peace Dearest Pat.....Richard
