

Ms. Pearline Agatha Pottinger

October 27, 1938 - December 1, 2020

Pearline Agatha Pottinger was born October 20, 1938, in Manchester, Jamaica West Indies to her loving parents Evelyn Turner and Alexander Dempster (both deceased). Being the second oldest, Pearline had to take care of her siblings that limited her to attaining her academic goals. By her 18th birthday, she relocated to Kingston, Jamaica, where she quickly learnt home economics skills, arts and craft, and became a seamstress..

Later, Mrs. Vaz hired her as a domestic manager and caregiver for her family. Pearline built a close bond with the Vaz Family who encouraged her to pursue her fashion design vision and a passion for cooking authentic Jamaican food. In her early adulthood, Pearline, met her future husband, and together they had six very skilled and talented children.

Pearline entered into eternal rest on December 1, 2020. To cherish her memories, she leaves behind her six children: Richard, Michael, Vivienne, Fanchester, Norman and Olrick; 13 grandchildren; 12 great grandchildren; several siblings and a host of family members and friends. Pearline was an inspiration to everyone who had the pleasure of knowing her. She was an amazing cook, and you always had a seat at her table with great conversation and advice. Pearline was loved by all and will be greatly missed. Heaven is rejoicing to have her home!

Rest in peace.

Pearl was a very special person and a patient and wonderful mother. Always calm, resilient and full of hope, never letting adversaries keep her down in life. Kept faith alive and worked to keep her wonderful kids on the correct paths. We wish for the family the strength to keep her priceless memories and her lessons in their hearts. .. Bobby & Sonia

“ *Fanny, my childhood friend from Grade 4 at Mico Practising School in Jamaica, my sister from another mother, I share in the loss of your mom, a kind and gentle soul with a beautiful smile. Please know that you and family are in our prayers in such a time as this. Losing a love one is hard, but losing such a caring mother as Ms. Pearline is harder. So glad she was able to make the ride to Maryland for a visit. We had a great time. An Angel has gained her wings and she is now “Somewhere Around God’s Throne.” Rest in eternal peace Ms. Pearline! May God’s Grace be with you all!*

“ Pastor Chris, Lady B and the Love & Faith Ministries Family would like to tell Sis Fanchester Henry and family that we love you and we will continue to keep you all in our prayers during this time. Ms Pearlina is now looking down on us and saying “I made it, no more suffering, I can now do for myself without any help and I’m loving it”. She is now in the present of the Lord, I can imagine her just walking around heaven. To Sis Fanchester Henry, excellent job taking care of your mother the way you did until she took her last breath. You did it without complaining, you gave up most of your life, things you wanted to do or even places you might wanted to go to make sure your mom had the best care possible every single day. Even though I know it was hard sometimes but you made sure that everyday was a good day for her, what you did and how you did it many couldn’t do. Your church family is here for you and we love you. Blessings!

“ My mom Pearlina Pottinger. I am the 4th child Fanchester. She was the best mother ever. We lived together all her life. Even when I got married it was me, mom, husband and children, her grandchildren. She was so loving and caring to everyone whether they were family or not. She loved her family dearly and always talking about family. She always prayed and ask God to let her live to see her children grown and have their own children. He blessed her with more because she lived to see great grandchildren. She loved everyone who came across her path. She was God sent to love and care for everyone. I cherish lots of memories, laughs and love with her. You will be missed dearly here on earth but I look forward to seeing you again in heaven. We Love you mother. ❤️❤️❤️

“ *Rest In Peace Pearlina, you are in heaven with your mother. She did a great job raising her children with love and care. Her children took good care of her when she couldn't care for herself. I remember Pearlina as a nice caring person. From Violet Gowie your sister in law.*

Violet Gowie - December 06, 2020 at 08:12 PM

“ *God's blessings surrounded Miss Pearlina, my sister-in-law with her six lovely children. She raised them in such a way that they were comfortable at Mom's house and we were comfortable at her house. We were all one big family living close to each other as brothers and sisters. She lived to see them all grow up and have their own family. That is a lot to be thankful for. May God's blessings surround the family as you draw closer to each other and prepare to meet again in the new world.*

“ Ms. Pearlina was among my favorite sister-in-law ; she was very kind and was like a mother to me. I have very pleasant memories of going to her house every evening after school. That was a must stop, five days a week. I know a meal was waiting for me. We called it “first aid”.

God loan her to us for many years, and I are thankful for the many memories we shared.
