“ One of the finest people I have ever had the pleasure of knowing and loving over the course of our lifetime from young adults to lifelong friends . Her voice were always one of reason and practicality. Peggy only knew how to love ❤️ others and were often times the recipient of the love she gave. To think that this world would be a better place without her in it , is foolish dreaming . We as a global community has suffered a great loss in terms of service towards humanity . 😞 Rest In Power My Dear as I do my best to recover from this great loss

My cousin was a beautiful person inside and out. I'm so glad that we got a chance to talk with each other not as often as I would have liked to. But we both knew the love we shared. God bless you my family. And RIL my lovely cousin Peggy.

“ *Sister/Friend. One of the strongest people I have ever known. I am missing you terribly. Everyone will remember your eyelashes before they were trending. Even in your time of need, you were always taking care of everyone else. Your spirit will be with me forever. Rest well. Love Alicia*
