“ I served with Peggy at the food pantry, and on Sundays, I watched with delight as she moved to the music of the choir. As she entered each door, she brought joy, kindness, and a willingness to help wherever she was needed. Peggy was proof that God lives within us. I will always remember her caring spirit. “ Ms. Peggy you've been on my mind for months and I didn't reach out. You stood in the gap for me many times. You never got to meet Breana's little boy. What you poured into me over the years cannot be measured. Rest easy on the other side. You were a true gem.

“ If ever I’ve seen or met anyone who was close to God, and knew him intimately, it was Sister Peggy Walker! I feel like she was a True Living example of the Fruit of the Spirit, living it daily! She knew the Word of God, and always wanting to learn more.
