“ Cuz, I'm still in shock and disbelief. I remember the very first time meeting you, you came to visit in Claxton Bay and I couldn't stop looking at you because of that unique voice, never heard anything like it. Never thought we would see you again since we migrated to the US but low and behold there you were, we couldn't stop laughing about the good ole days, nothing like it. I'm sure our loved ones up there are asking you "boy, what you doing here?" but God has a plan that the natural eye cannot see. Thank you for the well wishes and being unique. You will greatly be missed especially during basketball season. Rest peacefully now my dear cousin.
