“ Phillip and I have been friends since high school. We both shared a passion for music. I will forever remember his uplifting spirit and infectious smile.

“ I met Phillip my freshman year at Rockdale Co Highschool at the seasons first football game. We became instant friends around our common love for music. My very best memories as many will likely share we spent in his basement listening to all the new 80's music and his amazing DJ skills long before being a DJ was a thing. Phillip was a pioneer in this emerging profession. I never saw Phillip without a smile.
