“ Phil and I met when we entered Luther Judson Price High School in the 8th Grade. From there we had a lasting and close friendship until his transition.

I got him started as a Season Ticket Holder with the Atlanta Falcons. We had seats together from 1980 in the old Atlanta Fulton County Stadium until they moved to the Georgia Dome. We went on many trips to Morris Brown College football games, the Bayou Classic in New Orleans and countless times to the Atlanta Falcons training camp.

He loved his Corvettes and having a good time enjoying life. I am thankful he was a part of my life and close with my family for more than 60 years.

I pray for his family for the the Good Lord to give them strength during this time and going forward. Phil enjoyed his life and shared his love for life with everyone he came in contact with.

*Peace Be With You!

“ My deepest sympathy to the Morris family. I remember Phillip from our Price High School days. Although he was a year ahead of me, I still would see him in the hallways or the gym. I always admired him because he was so laid back. May GOD bless him on his journey. We may have been the Price Wildcats, but to me, Phillip Morris was a Price High Warrior!!!

To the Morris Family...I express my deepest condolences to you all on the passing of Phillip.. From the moment I met him he was one of the kindest, respectable people. I had ever met and he remained that same Phil until his passing. He will always be loved and truly truly missed by all who had the privilege to know him.
