“ Pam, Cedric and Wilder Family,  
Phil, a beloved and great man, made life better because of his presence in this world. Since your family and mine moved into Carlisle approximately the same time over 25 years ago I've spent ample time with Phil exchanging stories, talking politics and generally having a good time. We've laughed, cried and yes argued about things important and sometimes unimportant. But know this-- "the Creator has a Master Plan".

*Phil you can rest now knowing you've done a masterful job. On behalf of my family thank you for a job well done in making our lives more meaningful and enriched.*

*Love Forever,  
W.Dwight Bailey, Sr.

“ I loved Phil so much. He always said; “Beck you’re always family here.” He meant that and I always smiled leaving his home. He was a true and genuine friend that always made you feel welcome at his home. His smile and laughter was contagious. I love you Phil and look forward to meeting up with you in heaven for one of your big bear hugs. Rest in peace.
