“ *Dear Hurlock family*

I am deeply saddened by the death of my dear cousin 'Cherry' who I have not seen for over 30 years. When we last spoke we shared fond memories of our childhood and your father, my beloved Uncle Leonard. We had some great times in Duanvale where the family's journey started out.

God Bless you and may your soul rest in eternal peace.

“ *Please accept our deepest sympathies over the loss of Phillipa . We pray that God will provide the family with the strength needed to endure this difficult time. As one faithful man said, I have hope toward God, that there is going to be a resurrection of both the righteous and the unrighteous. May the Family cherish these words and find comfort in this wonderful hope from God. jworg*
