“ My Sister Phylis you have left a void in my life. You were older but the age difference did not matter. I love you very much and you were my big Sis. I will help your only Son to realize what a tremendous human being he is. He is going to be going through a rough spot, but with us beside him, one day he will overcome the sadness and laugh at the good times. You have left me with a legacy of jokes that I will forever remember. I will hold you in the highest esteem. Fly peacefully my Sister. Get your precious rest. Say hello to our parents and other loved ones. Love you loads. Chummy your little Sister.

“ *Sister Phyllis loved God and people and because of her love for God, loved serving Him. Like her late husband, she was gentle, humble and caring. Those qualities endeared her to many people who already miss her.*
