“ Students from Mrs. Drayton's 8th grade social studies class (1974) are reminiscing a classmate who recently passed away. Someone happened to mention Mrs. Drayton. I looked her up and found that she recently passed. I really enjoyed having her as my 8th grade teacher, as did my fellow students. She and our classmate, Ramona, must be talking and visiting us. She was a great teachers. I remember a specific assignment she had me research and present to the class. And that was more than 45 years ago. Rest in peace. And, thank you.

“ We are deeply saddened over the loss of our friend and my Soror, Phyllis. For over fifty years, we were on this life journey together. We are grateful! We shared opinions about everything, loved, laughed, and cried together. Phyllis was the SPARK that lighted all of our gatherings. She always brought the JOY. We will miss her greatly! Love, prayers, blessings to Joyce, Michael, James, Daniel, and Brian.
