“ *My thoughts and prayers go out to the family and friends of this young man. I pray that the people who did this are quickly caught, and they repent of what they have done for their souls sake.*

Such a pity and sadness to lose a fine young man who was in the prime of his life with so much to look forward to and share with the world who was a bright shining light to all who knew him. I learned about this from his cousin who was devastated upon learning about his death and has become a good friend at work.

“ I got the news this morning of your return home. My heart is full of sadness! Prentiss was my classmate and the mother of his daughter is my friend. I am so sorry for your loss. Words cannot even begin to express the devastation his departure is going to cause. However, God knows best. Why do people like Prentiss have to leave earth so suddenly? Isaiah 57 gives us an answer! I pray that the God of Comfort, the God of Jesus Christ feel you with His spirit. Prentiss had just returned home. Thank you God for the time Prentiss spent on earth, the father he was, the son he was, and all the lives he touched while he sojourned on this planet. He is going to be greatly missed. Prentiss we will see you again, until then rest in peace!

“ I met Prentiss when he was a young boy; he was around five or six years old. I never got to share memories with him as an adult. But I do remember him always aggravating his older brother Greg. Those were very good times that I could remember. May God continue to give his family comfort and peace.
