“ Priscilla was a delightful person to know. We had some real good days of fun and laughter working at Coca-Cola. We would see each other mostly in the cafeteria or break room, hug and then she would say something to make me laugh. It was a blessing to have known her because she was a beautiful person with a heart warming smile. You will be missed dearly "Pri".

“ You know my cousin was a determined young woman. Confident in whatever she set out to do and got joy from it. I remember when I was getting married, she was a bridesmaid. Let tell you about her determination. She missed the first plane but kept going til she got another. She was dependable. To Cooper and all the family she will be missed but she left her mark on life and many treasures for us to remember. Shirley Scott Crowner Family of Baltimore Maryland.
