“ To the Family, I'm so sorry for your loss, you're in my prayers. I pray
God will continue to comfort and strengthen you now and all the
time ahead. Mrs. Priscilla will be missed and treasured for being a
constant light and an example of who God commands me to be.
She was one of a kind and most of all, she loved God, you-her
family and serving others. She was a true faithful servant and friend
of God. I'm thankful I was blessed to know this virtuous woman.
One who boldly shared her wisdom, guidance and love, all of which
was a reflection of her faith and love and obedience to and for GOD.
She was an awesome woman and angel her on earth that has now
returned home. Thank you Lord for sharing her with all of us.

“ I will truly miss you. I 'am so grateful to have had the chance to work with you and learn from you. I loved that you never saw obstacles but opportunities to excel in what you did. I enjoyed being around you and had a lot of jokes and laughter with you and will always cherish your friendship and appreciation for you treated me as a mother would with care and no nonsense. When my mom passed away I adopted you as my own and was able to share with you as i would have done with my mom if she where here. I know is not goodbye but just a brief moment in time that we will not see each other but i will with God's mercy and love get into heaven and i will see you again!

*Sincerely,
Francella*

“ Mrs. Priscilla was one of the most kindest, unapologetic with the best intensions persons I had the pleasure of knowing for the last 5 years. I have never heard her say a bad word about anyone. She kept us all on our toes and made sure we were doing what was right at all times.

Her love and kindness was like a mother away from home, the best friend you never had, a sister to keep you on track and most of all, that one human being to make your day better.

She will truly be missed.
