“ To the Family of Ms. Priscilla Thomas:We offer sincere sympathy and encouragement from God's Word. May you gain peace and hope now and in the difficult days ahead by considering some of God's loving promises such as John 5:28,29 which assures us that The hour is coming when all those in the memorial tombs will hear Jesus' voice and come out. God foretells a future when tears, pain and death will be no more -Revelation 21:4.

“ We extend our condolences to the family. Know and trust that God will give you peace and strength. Even in the midst of your tears, thank God for sharing her with you for the many years. She is at peace resting in the bosom of Abraham. Remembering the love, joy, and fun memories that were shared will help you to continue to hold her in your hearts. Be encouraged in the Lord. “ Ms. Thomas exemplified what a Nurse is. She was my nurse for the last ten years. She always, up to a couple of weeks ago, took care to ask me how was I doing. She never indicated that she was at all sick. I am shocked and saddened for the loss of this wonderful lady. The V.A. Medical Center has lost a great caregiver. She will be truly missed. Love, Nese.
