“ My condolences to the Favers family, and all Sammy's friends & musical compatriots. I was stunned to hear of his passing, have known & played with Sammy since the mid-80s, and had just had one of our lengthy phone conversations, maybe two weeks ago... I am deeply saddened, and still can't quite grasp he's gone...

I will miss you so much, Sammy Blue. Your love of family, your mom and your aunt especially, your God son, your friends and blues family was immeasurable. It's hard to know I will not get a midnight call from you to talk about music, Taj Mahal, your newest song. I am so honored and humbled to be your friend and your publicist. I promise to keep your legacy alive. I am not crying because you are gone, I am smiling because you were in my life and brought me so much joy. To your mom, aunt and family may Sammy's memory be a blessing. Love, Lynn - RIP
