“ *I met Mr. Booker not long after I met Amanda. Seeing the way Amanda loved her father and watching how he smiled and played with his grandkids was a beautiful sight to see. Laughing when he chastised Amanda at her big age of 30, still seeing his little girl always made us giggle. He was an amazing man full of life and love and now he gets to bring the party to the heavens. Hug momma Booker for us and keep Amanda covered on the other side and we got her on this one. It's never goodbye but see you again.*
