“ Randolph you are going to be greatly missed. (and that is saying it lightly!) You have always been so kind, loving, welcoming, giving, funny and real! I know that God considers your time here on earth very well done! I am going to miss our laughs and get togethers! Thank you for all you have been to Talaya and I! From the moment we met you, you took us in as sister and niece! I am eternally grateful to you for so much but especially for always sharing your home, time with your wife and anything else some one asked of you! You have been a gem and I am so thankful that God had our paths to cross! He's to celebrating your life and your legacy. Rest In Heaven....
