“ To the Reece family, my family and I would like to express to you our deepest sympathy in the loss of Daddy Reece. Daddy Reece was a faithful man to God, his family, his friends and his church, but his days were numbered. The time came when his labors have ended and God called him to his rest and his reward. He is not dead, but sleeping. I know that it is easy to look upon death as dark and gloomy, but the death of the righteous has a bright side and a silver lining. Death to the righteous like Daddy Reece is a trip to be with in the presence of the Lord. I will see Daddy Reece again. I will miss the times that we had together at G.P.T., when he would share the stories of his life and the sacrifices that he had to make to provide for his family. Daddy Reece may be gone from this life, but his memory will live on forever through his family and friends. May God bless and comfort the Reece family during this difficult period. Please accept our sincere condolences.
God bless,
Pastor Douglas Myrie & Family

“ Uncle Sonny as we affectionate called him has left his mark on many lives in a positive way. He could not not have been a more dedicated husband, father and friend. He spend his entire life nurturing and educating his children. He was well known for helping people within the community. Our friendship has gone over fifty years and he will never be forgotten. Children you are left with a legacy of blessings. V&P

Thank-you Andrea aka Dr. Rose for providing me the opportunity to get to know your dad. "Kicking off your shoe" will always make me chuckle as I think of you and your dad. To you and your family, please find comfort in knowing how special he is to everyone who knew him.
