“ We were each other's favorite cousins when we were growing up. What a beautiful, fun-loving, tender hearted, wonderful cousin you were, and a beautiful woman you became. Last time we spoke was at Ja'Nique's graduation party. And you played a joke on your daughter. You called her over and you told me to watch this because you were going to do something to her. You said, Skyler I'm going to whip you. And Skyler said "but I don't want to whoopin". And you cracked up. You told me watch what she's going to say and you just show me that you enjoyed your daughter and living life with her. YEHOVAH has received you and may YEHOVAH bless your family with His peace that surpasses all understanding.

“ Words can never express the sorrow of losing such a loving cousin. We had such a great time growing up together and I will cherish every memory of it. The world has lost a beautiful loving wife, mother, daughter, sister, niece and cousin but the heavens have gained a precious angel. You will be truly missed and I will hold you forever in my heart.

“ *Sharing my deepest condolences to the Hughes family. Words cannot express the loss we feel. Rasheda was such the light to my day. I am so glad I had the opportunity to work with her and for her. She made coming to work a joy and her knowledge was undeniable. I will forever remember our many talks, conversations about anything and everything and even more the laughter. No matter how busy she was she always made time to make you feel like you were a priority. A genuine spirit truly sent from above...*

You will forever be in my heart!.

“ Words cannot express how I and the family feel losing such a beautiful person.
I looked up to you so much cuz, you were always great at everything you did.
You were always good to everyone, happy, loving, funny, and nurturing but never took any BS from folks. I enjoyed our time together from our childhood at Geauga Lake amusement park to our adult girl trips. I don't always understand the Lord's will but I accept it as he seems to want his best angel's home with him.

Rest in Paradise our sweet Boopie

“ *Jesus encourages us... "Do not let your hearts be troubled. Exercise faith in God, exercise faith also in me." ~John 14:1. God empowered Jesus to resurrect dead ones in the past, giving us a foregleam of what he will do in the future. Jesus confirmed his role in the resurrection when he said... "I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life." ~John 11:25.*

“ *I would like to extend my condolence to the family of Rasheda Hughes. As you grieve the loss of your loved one, please know that at Ps. 46.1 the Bible tells us that God is our helper and our strength, and that he is ready and willing to help all those calling on him. We can take courage from Rev. 21:4 wherein we are assured that the day is coming on which God has promised to put an end to sickness and death forever. Please be encouraged.*

“ My condolences in the loss of your dear loved one. The pain of grief we feel when our loved ones die can sometimes be unbearable. The comforting words from our heavenly father Jehovah found at Isaiah 25:8; He (God) will swallow up death forever. And the Sovereign Lord Jehovah will wipe the tears from all faces, and Psalm 34:18; Jehovah is close to the brokenhearted; He saves those who are crushed in spirit, will help you to cope with the grief and sadness now and in the days ahead.
