“ *Dear Uncle Ray,*

*Your untimely passing saddens me greatly. You are part of my earliest memories and I remember you fondly, especially the days when you took my brothers and me to the arcades and the movies. I can never watch Xanadu without thinking of you. I am happy we reconnected in my adult years and you were so kind to remember me on my birthday and texting on the holidays.*

*Please give Little Ray-Ray and Aunt Sonya big hugs and kisses from me. All of you are missed. Thank you for being one of my favorite uncles. More importantly, thank you for being a great person to so many people who love you. See you again, Ray Charles Harrison.*

*Love,  
Nephew Bobby*
