

Mr. Raymond Kenneth Harris

June 16, 1950 - March 20, 2024

Affectionately known as “Baby Ray,” was born June 16, 1950, to the late Nathaniel Horace and Victoria Smith Harris in Mobile, Alabama, and the family later moved to Fort Walton Beach, Florida. He confessed Christ as his Lord and Savior at an early age as a member of Beulah First Baptist Church, Fort Walton Beach, Florida. Here is where he served and liked singing, and was often asked, by special request, to sing, “How Great Thou Art.”

Raymond attended Brooks Elementary School, W. E. Combs High School, and was a graduate in the class of 1969 from Choctawhatchee Sr. High School, Fort Walton Beach, Florida. While in school, Ray extended his musical skills by playing the drums in the marching band.

While in Fort Walton Beach he was employed with Gilmore Moving and Storage and Campbell Moving & Storage companies. Raymond has always been ambitious and marched to his own beat.

In 1979, Raymond moved to Houston, Texas. While there he embarked upon his entrepreneurial spirit by starting Harris Package Delivery Company which he owned and operated for over 25 successful years. He received several Safety Awards. During this time, he assisted other contractors while excelling as an Independent Contractor with FedEx. Raymond met Viola Martinez, the love of his life, in Houston, they entered into Holy Matrimony on December 21, 1984 and spent 39 wonderful, exciting years together.

In 2013, the loving couple took to the road in their RV and they traveled across over 45 states exploring their culture, participating in iconic events, and celebrating retirement at its best. In 2016, Raymond and Viola moved to McDonough, Georgia.

Raymond was firm, but yet very compassionate! He loved singing, traveling, dancing, Family Gatherings (he attended all of the Family Reunions) and most of all gardening! You could find him at any given time, working in his yard.

“ *We grew up together in Fort Walton Beach. I loved to hear Raymond sing. He had such a beautiful voice. I'm so glad I got to see him last August at our school reunion. That was the first time in that I had seen him in years. Family please know that you're in my prayers. To be absent from the body is to be present with the Lord.*

“ *Classmate, it was great seeing you in August during the last school reunion. You remained the same courteous and caring person and always inquired about me, my children and other family members. You always remembered that FWB was home. I take great pleasure in the friendship that we shared over the years.*

This is more than a notion but God is able to sustain us. Raymond was my first cousin but he was really my big brother. I always looked up to him. I always wanted to dress and drive fine cars just like he did.

“ To the Harris family, with heavy hearts I/we the Lovejoy family extend our condolences, it was great to see Raymond again (after so many years) and the pleasure of meeting his lovely wife at the recent school reunion, it was nice to get reacquainted as we reminisced of the old days on our beloved Germany Dr in FWB. So, thankful that we had the opportunity to have shared a conversation as we didn't know it would be our last.
Our prayers are with the family.

Mark Chapter 10

6 But from the beginning of the creation God made them male and female.

7 For this cause shall a man leave his father and mother, and cleave to his wife;

8 And they twain shall be one flesh: so then they are no more twain, but one flesh.

9 What therefore God hath joined together, let not man put asunder.

When I think of Raymond, I think of this scripture. Why? Because he was always attentive to his wife , Vi. They were always together. Whenever I saw him, I saw her. They were never to far apart. I am just an outsider looking in; and that is what I saw.

He showed genuine love, honor and tenderness towards her. Raymond looked protective towards Vi and showed that he was proud of his Queen. So I remember Raymond as the man who showed what it should look like to leave and cleave to your wife. Raymond you left an example for other husbands to follow. How to keep your own wife by your side and make her feel safe in your arms.

So long, Raymond for now. You are traveling the path that we all will take one day. To the family, take comfort in knowing that your brother was an example of a true man, with a swagger that rivals Denzel's. Bye Raymond, Bye-bye.

Rosilyn Hill*
