“ To the Jacobs family my sincere condolences. Mrs. Reba was my nurse my whole childhood and a mother to me in the church. I knew her my whole life and never saw her not smiling. She covered me as a baby, covered me in prayer at church, and in her eyes I was forever that baby who she used to care for at Dr. Lovetts office. She will truly be missed and always cherished ☐

“ I will forever be grateful that God allowed my family to live next to Reba and her family in Fort Leonard Wood, Missouri. Reba's parents and my parents were good friends. I was best friends with Reba's sister, Kathy. I have nothing but fond memories and love in my heart for all of them. They were a great family. I know Reba loved the Lord and I know she is now truly home. We will one day meet again in Heaven. My sincere condolences to her family and friends who will miss her. Hugs and prayers for all.
