“ I didn't know that she had passed. I've known her since I was 19, may she have eternal rest.

“ Dear Taylor Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous “ May you have peace and comfort as you think about this beautiful hope for the future.

“ My sister Gladys and I have known Reba Gatlin Taylor since we were young girls living in the Summer hill community. We never imagined that in the future her son John would eventually marry into the family. What a small world! What I remember most about Reba was that smile! No matter how long it was before I saw her, she was ALWAYS kind to me and I will always treasure that memory of her. I am truly blessed to have her as part of my family and I can honestly say I can understand why my niece Danielle loves her so much! That in itself speaks volumes about her character. Some people leave a great impression in your life, and she has left one of nothing but kindness in mine. I will truly miss her, and my heartfelt sympathy John, Mika, and to her family to all those who love her. May you rest in peace my dear friend.. Love, Vernell Grooms.

“ Peace and Blessings to my love ones. We will always love this lady and I thank God for her Love and being a woman of Faith. No matter what she placed her Faith in God. I am sad because she had to leave but I know she is alright with the Lord our Savior and soon coming King. I celebrate you today and one day soon we will be in fellowship together forever in eternity.
