TM

“ Mommy, As I say, was my Mother that God sent to me by way of her daughter Jennifer! I know that she is Happy in Heaven, but mostly that she did a wonderful job on earth with her task to ensure she spread Love to everyone she met, created an environment that no matter who you were you knew right from wrong and how to go down the right path (the school teacher in her lol), she also always had words of wisdom for me and told me I was her other daughter, giving me my Godly name, but also showing me Love as a Mother, as my own passed away, she stepped in and made me feel whole again. Losing her is tough, but I know she is still looking out for me and my daughter as she always has, praying for our Success and Growth in Life and God’s Word. I will miss her dearly, but knowing that I had the time to tell her I Love her and I will always miss her was something that I prayed I could have done with my Mother before she passed, which she knew and allowed me to say it to her! Thank you Mommy again for all the Love and Joy that you gave me and continue to shower down on me from Heaven!!! Amen
