“ I will truly miss Regina and her love for life. The smile and encouragement that she always had for everyone. I remember how excited she was when I was making my first trip to the Bronx, how she prepped me and told me what to expect and where to go, her excitement made it feel like she was going with me.:) She was a traveler and always encouraged me to do the same. She also introduced me to Sprouts. :) The time we knew each other when I worked with her at Stonecrest was short but meaningful and she will always be one of the people you were glad passed through your life. I'll miss you Regina. Rest In The Arms Of Your Heavenly Father
