“ *Regina will be sorely missed. She was a champion of a person. She exceeded her goal in life. May the memories of her life be celebrated with joy. Even as they fade with the passing of time, may the Lord allow those reflections to be one of love and hope. Remember, this life is only a vapor, but eternity with Christ is everlasting. John 6:47; He that believes in Him has eternal life. Trust Him today.*

“ Regina was a member of my management team. I was fortunate to have the opportunity to work alongside Regina for a short while when I joined Field Assistance in Wage & Investment in March 2023. Regina's mix of professionalism, knowledge, wittiness, and compassion for her work and the people she led instantly stood out to me. I knew at that point I was blessed to have her on my team. Regina touched so many lives in such a kind way. Her passing has left a deep void throughout the organization. On behalf of the executive leadership team in Field Assistance and her colleagues and friends at work where Regina devoted so much of her time, we extend our heartfelt sympathies to her family and we want you to know that Regina will be sorely missed and long remembered.

“ I met Regina at a training class a few years ago and we hit it off instantly. We became friends climbing the ladder to success (she got a position, as manager and we both were elated). Exchanging numbers, talking on the telephone occasionally, and sharing plenty of laughs about me coming to Georgia. She was very kind hearted, open-minded and always willing to listen. My heart is deeply saddened to hear about her passing. Sending my heartfelt sympathy to her family. Rest in Peace Regina. Signed: Fellow Training Partner and Friend: Sharon E. Hamilton 🕯️💔
