Can't wait to meet up with you again, my friend, in a perfect world with all sickness and death done away with... until then, I'll find comfort knowing you are at rest and out of pain...better days are coming!*

“ I've known Regina for about 20 years. She was one of the nurses I was honored to work with. The care she gave was so compassionate and skilled that I requested for her to take care of me after a surgery. I knew I would be safe in her care and to see her face when I woke up gave me such peace. My condolences to the family of this lovely lady. She will be missed by us all. Wendy Karn

“ Regina touched so many lives. I will always remember her for the love and compassion that she freely gave to others. She had a heart that was filled with faith, hope, and love. Her heart was filled with these three because she was filled with the Holy Spirit.

You see, Gods' heart is a heart of love waiting for us to pour our heart into his heart to heal our bruised and broken one. Regina did this daily through prayer. No matter the circumstances she continued to trust God.

Our body may wither away, but our spirit lives on forever. Regina is in Heaven living a glorious life.

I Love you, my friend.
