“ *Memories of a Friendship that started the year 1987.*

As I sit and grieve for my Friend, I reminisce in the 28 years we have been friends.

I met Regina through the consolidation of the Federated Dept.Stores Data Centers, she being from A&S and me from Burdines. This meeting started out as co-workers, then flourish to friendship outside of the job. From time to time, we traveled to her home state(North Carolina)and her adopted home state(New York) and she visited my home state(Florida).

Regina had a such kindling spirit, she was a giver and listener. We shared stories of motherhood, not believing how time has flown that our children have gotten to be adults on us and leaving the nest.

Regina was very big on family and reunions. I had the pleasure of attending some of those reunions. Regina was very much into Christ as well, no she did not flaunt it, just being around her, it showed. My friend never did a lot on complaining, she endured what ever was thrown at her. I will miss her in the flesh, but,I will see her in the spirit.

Regina, my sister from another mother, you rest in peace. You have earned your wings.

“ *My fondest memories of my cousin Regina Rodgers have always been, her ever-smiling face and her jovial laughter and her positive attitude accompanied with her New York accent and her drive to connect family and friends. She always managed to bring a smile no matter the circumstance. I know for sure she would want us all to be the same, spreading joy, continuously loving and connecting with family and peace in the lives of those around us. I will always cherish the beautiful memories and special times and talks that we shared over the years. A beautiful spirit has taken flight however, Regina's spirit will live forever and ever. Please know that I am here for you. May God and the Angels envelope the entire family with peace and comfort during this time.*

"Cherish your yesterdays, dream your tomorrows and live your todays"...Live Your Best Life!

Peace and Love, Cousin-Brenda Vines Mitchell, Stone Mountain GA
