“ I worked with Ms Regina at Kaiser for 5 years before I left. She had a beautiful smile and laugh. She cared and went out of her way to make the clients feel cared for. She was very meticulous in her work and always keep us in compliance. I was very privileged to have had her on my team.

May she rest in peace and may God bless her

God give you her family peace and comfort only he knows how.

“ *If roses grow in Heaven Lord, please pick a bunch for me. Place them in my sister’s arms and tell her they’re from me. Tell her that I love her and miss her, and when she turns to smile, place a kiss upon her cheek and hold her for awhile. Let her know remembering her is easy, but there’s an ache within my heart that will never go away. Ps let her know not to worry about her family we’ll help take care of them too. Love you Ree your sister Carolyn*

In sadness, there is joy! Regina and I are a year apart and knew each other before we were able to recall meeting at services held at Sister Bell's house in Hightstown, NJ. In 1962, at age 4, I still remember the Shady Grove Church years in Morganville, NJ. I last saw her at Marlene's 70th birthday celebration at Karen's house. We spoke a few times a year and it was wonderful to catch up. Many years in between of our families knowing, loving and remembering one another. It was a blessing to have known Regina and I shall never forget her. Your date of birth, April 27th is a special day indeed. And to Carolyn Rose, your tribute message is beautiful!

“ My heartfelt condolences going out to the entire family, Regina was my next door neighbor growing up, we were more like sister hanging on her porch talking, playing Double Dutch. I am truly going to miss her. He kept in contact from age 10 to 59. Love you, RIH until we meet again.

“ I'm going to miss my best friend and sister. We shared so many moments. Spending the night at each other's houses and me talking you to sleep....in later years when visiting we stayed up for hours reminiscing and you talked me to sleep. I remember us riding with Ardell to Judy and Carolyns house on Central Avenue before school in the mornings. Packing tuna fish sandwiches for our Picnics in Fanwood on Saturdays. Hanging out at Marlenes house on Lyman place. Going to your father's church and somebody falling asleep. Game nights at your house in Newark. That's just a fraction of the memories we have shared...and those memories will sustain me. A lifetime of giggles and laughter can never be replaced. I can hear you saying "I know that's right!" So many memories.....so little time. You are now up there with Betty, Arthur Lee, Vera and your mom and dad, Mae and my daddy. Heaven just gained another Angel....I love you....until we meet again, rest easy. ❤️❤️

Love yah,

Mary

“ *When I first started at Kaiser I worked at different facilities and met a lot of co workers. Regina and I hit it off right from the start. She was a hard worker who loved her patients. Our friendship blossomed over the years. No matter how long since the last conversation we started off where we left off. I will miss my dear friend But God knows best.*

Rest well on the bosom of your maker. I will miss you until that day when I will meet you in heaven to part no more.

To her family may God continue to comfort you all. God bless.

“ My dear little sister may you rest in heaven with Mommy, Daddy, Osie Jr., Vera, Arthur, and sister Betty. I am going to miss you so much I remember when we were going to school in the winter and I told you to go back home because it was too cold for you to walk, big mistake on my part mommy and daddy got me that day. I think about the talks we use to have and how we would laugh, I remember the disagreements we had but we always got over them, words cannot express how I feel right now, I have a lump in my throat the size of a truck and tears in my eyes like a river. I am so thankful that you were my sister and life without you will never be the same, God knew you needed the rest that's why he called you home. You have paved the way for the rest of us and I hope to see you again one day on the other side. Love Peace and memories of you forever. Love your big brother Lank. To Omar, Sha dae, and Tyree my heart goes out to all of you remember Uncle Lank loves you and feels your pain and loss.
