“ *Cousin cousin. I truly hate to see you go but God needed you more. I can say we have gained another angel. I don't understand but its not for us to question. I am so grateful to have crossed your path and your smile will never be forgotten. I love you endless. I know that grandma, Mark, and Kilon is waiting for you at those heavenly gates. For people that knew you, knew your sense of humor and that you were a good guy. Rest easy my cousin. XOXO Smook*

“ *Dear Cooper Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection.” There will be a resurrection of the righteous and the unrighteous.” May you have peace as you think about this beautiful hope for the future.*
