“ God is unshakable in our most fragile moments. His reliability is unmatched even in the midst of our broken hearts & for this I'm so grateful as I pray for the entire Ricks family. May your hearts and minds be granted a peace that can only come from God. In those moments when you're overcome by grief may you be reminded of his presence available to you providing strength, comfort and love.

“ *My Uncle Reggie...I still don't have words to express the hole left in my heart by your passing. We weren't ready. There are so many more memories we were supposed to build. Using past tense just doesn't seem right. I will love you always and forever.*
