“ Just as Antwan said, you truly were everybody's uncle. My siblings and I all called you just that—Uncle Mooney. I was absolutely devastated to hear the news. My family and I are going to miss you so much, and I know how deeply your own family loves you and will miss you too.

We have so many great memories with you, like when you manned the grill at my 24th birthday pool party. I'm so grateful I got to see you when your nephew received the key to the city. You told me how proud you were of me and my brother, and you made sure I texted him right then so he would know too.

Love you, Uncle Mooney. Going to miss you.

“ In loving memory of Remoin, who touched the lives of many with his heart of gold since we met in 1983. Although we are no longer together, we remain friends and share a profound bond through our son, a precious gift that will always connect us. My heart aches as I write this, as he did not deserve this sorrow. To the world, he was known as unc, moonie, or mone, but to me, he will always be Remoin. Our families will ensure that our son is loved and cared for. Thank you, Remoin, for everything. You will always hold a special place in my heart. My BD as I would always say. Love always, Pam

“ Heart-broken hearing about Uncle Moonie’s passing. Always positive energy and made everyone feel like family. I’m so grateful for the time we all had with him, the funny stories he would tell. I’ll never forget trips to Vegas playing follow the queen table, somehow winning, and just seeing Moonie having a blast. Always cooking something delicious at our NFL gameday parties.
I am definitely going to miss me.

“ Unc I don’t know where to start, first I’ll start by saying I’m going to miss you! You were always there for everybody when they needed you, you lived to help people. You were very family oriented and always told me how proud you were of Austin and how he was such a good kid. Going to miss our random conversations when you’ll just call to check on me or vice versa. Those conversations will stick with me for the rest of my life. You were really EVERY BODIES UNCLE, LOVE YOU FOR EVER. Wish I could have spoken to you one last time.
