

Rena Clemmons

July 30, 1958 - May 14, 2026

Rena Clemmons was born on July 30, 1958, in Atlanta, and departed this life on May 14, 2026. She was a loving mother, grandmother, sister, family member, and friend whose kindness touched everyone who had the pleasure of knowing her.

Rena graduated from Gordon High School, where she formed many lasting memories and friendships. One of her most treasured friendships was with Lucille Smith, who remained her dear friend for over 50 years. Their bond was a true example of loyalty, love, and lifelong friendship.

Rena was a faithful church-going woman who loved the Lord and enjoyed serving in the choir for a period of time. One of her proud accomplishments was speaking at her church during Women's Day, where she inspired others with her words and spirit.

Family meant everything to Rena. She deeply loved her two sons and was proud of the men they became. She also shared a close and loving bond with her sister and two brothers, one of whom preceded her in death. Rena treasured every moment spent with her family and created lasting memories filled with love and laughter.

Whether she was going out to eat, spending time fishing, or simply enjoying

the company of loved ones, Rena found joy in togetherness. Her granddaughter held a very special place in her heart and was truly the sunshine of her life. Rena's eyes would light up whenever she was around her, and the bond they shared was filled with endless love.

Rena was known for her loving and caring heart. She never hesitated to help others whenever she could. Her warm personality and genuine kindness made people feel welcomed, and everyone who met her quickly fell in love with her.

Although she will be deeply missed, the love, memories, and lessons she shared will remain in the hearts of all who knew her. Her legacy of love, faith, compassion, and devotion to her family will live on forever.

“ When I think about Ms. Rena, the very first thing that comes to mind is "Big Time!" Every time I saw her, she would greet me with a warm smile and say, "Hey, Big Time!" And without missing a beat, I'd reply, "Nah, that's you!" It became our special exchange—one that always brought a smile to my face and brightened my day.

I'll truly miss her warmth and the way she embraced us all as if we were her own children. She made everyone feel loved and welcome.

Rest easy, "Big Time." Your love, laughter, and beautiful spirit will never be forgotten.

“ Sweet and precious memories of my cousin Rena, growing up my uncle Lee and aunt Annette would bring the family to Cataula, Georgia and we would meet up at our Grandparents house . Definitely will miss the daily inspirational texts we would share with each other daily. Our last conversation, Rena told me what was taking place and I started crying, my cousin said Tut , don't worry about me I'm going to be ok. Love you Rena 🙏🙏

“ She didn't know it, but Miss Rena and her sons played a big part in my decision to move to and stay in Atlanta. The love they showed each other and showed me was something that I absolutely needed. The playful moments combined with the tender ones were all so incredible to witness and be a part of. When I was with them, I wasn't a visitor -- I was family. May her beautiful spirit rest in peace.

“ Oh Nae Nae

I thought of you with love today

And hold on tightly to the messages of encouragement you often sent my way

I've tucked away your memory and unconditional love in the deepest part of my heart

From you I've learned we each must play our part

*And while you are away
I promise to share the gift of knowing God*

Yahweh has you in His keeping

And for now I'll dream of you while I'm sleeping

Oh Nae Nae

“ You live the life filled with wonder and blessings that you share with us all will never be forgotten. As a mother, you raise two wonderful sons that have grown to become great men with the guidance that you instilled in them.
