“ Rhoda and I became best friends when we were both in middle school at different institutions. Our connection was the friendship of our 2 Older Sisters. We became even closer when we both attended the same High School. Ironically, we were born 2 days apart. In our young adult life we would see each other, socially, almost everyday. She was a bridesmaid in my wedding. Rhoda, my Sisters, friends, and I had so many funny stories and memories of our outings in social settings. When my Sister Rosalind decided to make Georgia her home, after Hurricane Katrina, her and Rhoda became close. I'm still trying to process her transition to Heaven. We've shared more laughs and life events than either of us could have counted.

I am praying for all of her surviving siblings and her entire family for the loss of their irreplaceable loved one. Please accept my heartfelt sympathy. I pray that the love of God enfolds you during this difficult time and may your many memories of "Lisa" help to sustain you at this most onerous time.

May You Keep Her Memories Close to Your Hearts

“ I was blessed to work with Lisa. She told me many great stories about her family and life in New Orleans. As my executive assistant, she helped to keep me organized. I am extremely saddened to hear of her passing. We have lost a great light.

Praying for comfort for the entire family as you grapple with this loss.

“ *Dear Clay Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous.” May you have peace as you think about this beautiful hope for the future.*
