Rhonda was a beautiful women inside & out. No matter what she was always polite and gracious....she also didn't take no mess from folks either. She will truly be missed.

“ I met Rhonda many years ago through our mutual friend, Debra Abrams. From the beginning she was always kind, considerate, and caring. A recent example of her caring nature is when I was ill. Although Rhonda was dealing with her own wellbeing, she thought of me, asked about me and wanted to make sure I was ok. That was her unselfish character.

To the family and close friends of Rhonda Pole, you have my deepest condolences and prayers during this difficult time. As you cherish the time you spent with her. May God grant you strength and comfort through her memory.

As a loving sibling to my late husband, Armond Watlington, and a sisterly friend to me, her departure has created a void that can never be filled. I'm completely devastated by the news of your passing. We started our careers around the same time and I won't ever forget your friendship to me .We used to share long talks, birthday gifts and emails. After I left, life got in the way and I would see you from time to time. I didn't know when I ran into you at the P.O. in Snellville, that would be the last time. Heaven just received an angel. You will be sorely missed.

“ I had the opportunity to supervise Ms. Rhonda, but prior to that, shed always greet me with a smile. She was one of the sweetest people I've encountered at North Metro. She was sincere and caring. I didn't realize that the last time I'd see her would be just before I left on my new journey. She will be missed!! May she rest in peace. My sincere condolences and prayers to her family.

Every passing is a lost to me. Some hit me “MUCH” harder than others. This is one of them. Her kindness, sense of humor, her mature conversations we had, “The Light” that followed every where she went, and most of all, the positive effect she had on the people she came in contact with lets you know what kind of person she truly was. RIP my fellow Brooklynite. Heaven just gained another angel.
