“ I and Rhonda lived in the same apartment complex years ago. Our friendship grew from there. She was a genuine person and friend . I'm very hurt to hear of her passing. She will be remembered of me and my family kind and loving spirit . My family cared and loved you dearly. Sending our deepest sympathy to the family and her daughter Ashley.

My condolences to Rhonda's mother, daughter, and granddaughter and all other family and friends. Rhonda was my co-worker and I only knew her for a short time. But the impact she made on me from our one on one phone conversation was amazing. I knew she was genuine and no nonsense. She even confided in me about her illness. She will be truly missed.

Rhonda was my co worker from a couple companies we just had our last conversation about those Steelers playing my Falcons she stated she was looking forward to coming to our tailgate party, knowing she will be in her gold and black. On that day I will say a special prayer for her. Still as she will know not pulling for a victory for her Steelers. She has fought the good fight, she has finished her race, kept the faith now her crown... . Rest in Peace my favorite friend
