“ *I AM FINALLY HOME*
Dedicated To Rhonda Payne Weary

One night I went to sleep but I woke up in a different and all too familiar place. A place where the light of God's glory always shines. A place where there is no pain anywhere. A place where there is peace and warmth and comfort.

I had read about and imagined such a place but I never knew it was this glorious.

It is more than I could have hoped for - longed for - prayed for. I am elated and almost speechless as I sense His presence all around me. And all I can do is smile because I'm home. I'm finally home.

So to those of you who miss me, know that I miss you too. But know that I am just fine. And the love that surrounds and envelopes me makes me complete more than ever before, even more than I could have conceived as possible.

I thank God for the time I had with each of you. I need to tell you He who reigns would have you know to be ready. And no matter what any may believe, He lives and so I am more alive today than I have ever known.

So dry your tears, hold your head high and smile. I'm home.

I AM FINALLY HOME!

*We know you are Rhonda and we love you!
Peace, strength and the power of God to Paul, Preston, Otis and Jordan*

“ I'm sorry that your loved one fell asleep in death. Keep in mind...God empowered Jesus to resurrect dead ones in the past and he promises a future when "Your dead will live....They will rise up." ~Isaiah 26:19. Jesus confirmed his role in this provision when he said: "I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life." ~John 11:25
