If there is one word I could say that summed up Rcco Ford that would be integrity. He was as authentic as they come lived and breath his principles. Never told you anything he didn't believe wasn't in your best interests. Very humble guy who knew who he was and stood on it. A guy you could call in the dead of night if you're in a bad spot and he's on his way. Ricco was a man of honor and one of the best men I knew. The good ones go too soon and it's been a great journey serving with you brother and I mean that. Thank you for taking some young, dumb knucklehead privates under your paratrooper wings and showing how to be soldiers. Thank you for being our brother we love you Ricco. Rest easy 💔
